

CURRICULUM VITAE

Ziad A. El-Nasser

MD, Ph.D., JBCP

2017

Present Post :

Associate Professor of Clinical Microbiology, Faculty of Medicine, Jordan University of Science and Technology.

Clinical Pathologist, (Clinical Microbiology) King Abdulla University Hospital.

Adjunct Professor, Faculty of Health, York University, Toronto Canada.

Director of CISEPO (Canadian International Science Exchange program Jordan Branch)

Tel.:

962-2-7247635 (Home)

962-795544224 (mobile)

Email: znasser@just.edu.jo

Place and Date of Birth: Zarka, Jordan-August 1954

Marital Status: Married with two children

Languages: Arabic and English

Hobbies: Swimming, Table tennis, Chess, computer skills.

Qualifications:

1. M.B, BS (1980), Jordan University, Faculty of Medicine.
2. Ph.D. in Medical Microbiology (1986), Department of Microbiology, Brigham Young University, Provo, Utah, 84602, USA.
3. Post Doc. Fellowship in Clinical Microbiology, (1989) Pathology Department, School of Medicine. University of Utah Medical Center, Salt Lake City, UT 84132, USA.
4. Clinical Pathology Board (Clinical Microbiology) (1994), Jordan Medical Council Board.

Academic Memberships and Fellowships:

1. Member of Jordan Medical Association.
2. Member of Jordan Medical Council Microbiology Examination Board.
3. Chief of the Central Tendering Committee at King Abdulla University Hospital.
4. Participated in two advanced leadership workshops (Influence and leadership 2007, Heidelberg Germany), INSEAD leadership course in Abu-Dhabi 2010.

Employment, Academic and Clinical Experience:

1. **Associate professor of Clinical Microbiology and Immunology**, Jordan university of science and technology medical school. Current.
2. **Dean of the faculty of medicine at Yarmouk University. Up to Aug 2016.**
3. **Special Advisor to the president of Yarmouk University** for the school of medicine and the hospital affairs. Up to Sept. 2016.
4. **Chief Executive Officer of King Abdulla University Hospital, Dec. 2010- Feb. 2012.** I worked on several issues including **strategic planning, marketing planning , all quality programs** and increasing hospital competitiveness, and increase bed utilization.
5. **Deputy Director of King Abdulla University Hospital Nov. 2004 – Dec. 2010.**
6. I worked also as the **director of IT department** and worked on the upgrade of the Hospital Information System. I **headed the Central Tendering Committee** for the last six years of the hospital (which was preceded by being a member at the University Tendering Committee) which resulted in buying most of the equipments of the hospital. I worked also as the **director of the services department** ,I also **headed the high medical committee** in the hospital. I worked on **all of the quality programs** in the hospital that ended by getting the hospital the ISO 9001 certification, Natioanl Hospital accreditation program PHR+. Besides we participated in King Abdulla the second Award and I was the **head of**

the selection committee for the employee of the year award which ended by winning the Award at the national level among all participants. I was **directing all of the internal auditing teams** for quality, which ended up by getting the hospital the Joint Commission Accreditation in 2009.

Summary of Hospital quality programs supervised

- a. **ISO 9001** obtained in 2005 and reaccredited for three times.
 - b. **HACCP** obtained in 2009 and reaccredited for another 3 times.
 - c. **JCA** accreditation , obtained in 2009.
7. **Dean, faculty of applied medical sciences July 2000 – sept 2004:** I have established the faculty of Applied medical Sciences after I set up personally all the academic programs of this school, and I did establish the faculty of Allied health Sciences at Hashemite University and set up all of its academic programs.
 8. I was **consulted by the HE the Minister of Education** , and **HE the Priminster** through the president of JUST to solve the milk poisoning problem occurred in one of the schools in Amman area and helped in solving this problem in 2007. Also I was involved in solving the problem of the mass food poisoning occurred in Almanshieh village in 2008.
 9. **Member of the Institutional Review Board**, for the north of Jordan 2008-2009.
 10. **Head of Infection Control Committee** at King Abdullah University Hospital 2006 – 2012.
 11. **Assistant Professor of Clinical Microbiology**, Faculty of Medicine, Jordan University of Science and Technology (1986-2008).
 12. **Associate Professor of Clinical Microbiology** (2008 – Current)
 13. **Postdoctoral Fellow in Clinical Microbiology**, Faculty of Medicine, University of Utah Medical Center (1989-1990), USA.
 14. **Chairman of Microbiology Division**, Faculty of Medicine, Jordan University of Science and Technology (1992-2013).
 15. **Chief of Clinical Microbiology**, Princess Basma Teaching Hospital (1988-2000), Irbid, Jordan.
 7. **Chief of Clinical Microbiology** at King Abdullah University Hospital 2002 – 2013.

8. **Chairman of Infection Control Committee**, Princess Basma and Rahma Teaching Hospitals (1990-2002), Irbid, Jordan.
9. **Assistant to the dean , Faculty of Medicine**, Jordan University of Science and Technology (1996-1999), Irbid, Jordan.
10. **Advisor and Curriculum Development** for Hashemite University President for the Faculty of Allied Health Sciences (1998), Zarka, Jordan.
11. **Curriculum Development for Institute for Allied Health Sciences**, World Bank Project (1998), Jordan University of Science and Technology, Irbid, Jordan.
12. **Higher Curriculum Committee member**, Jordan University of Science and Technology 1998.
13. **Honorary member of Brown's School of Medicine** class of 2003, and the School Curriculum Committee.
14. **Adjunct Faculty** with the University of Toronto School of Medicine, Department of Public Health.

Teaching Experience:

1. Microbiology for Medical Students, University of Utah Medical Center, Utah (1989-1990), USA.
2. Microbiology for Medical Students, Faculty of Medicine (1986-Present), Jordan University of Science and Technology, Irbid, Jordan.
3. Microbiology for Nursing and Dental Students, Faculty of Medicine (1986-Present), Jordan University of Science and Technology, Irbid, Jordan.
4. Immunology for Pharmacy Students, Faculty of Medicine (1986-1996), Jordan University of Science and Technology, Irbid, Jordan.
5. Series of Workshops on Immunology of AIDS, Ministry of Health (1995-Current), Amman, Jordan.
6. Symposium on Antibiotics Abuse, Royal Cultural Center (March,1997), Amman, Jordan.

7. Series of Lectures on Special Topics on Microbiology and Antibiotics Abuse in Health Centers, Irbid and Amman, Jordan.

Doctoral Dissertation:

Outer membrane proteins of nontypable *Hemophilus influenzae* as possible markers of pathogenicity in patients with chronic bronchitis.

Advisor: Dr. Donald D. Wright, Department of Microbiology, (Chairman), Brigham Young University, Provo, UT, 84602.
